Dear Dr. Shahjahan Mahmood,

Subject: The 8th APT Cybersecurity Forum (CSF-8)
24-26 October 2017, Dhaka, Bangladesh

On behalf of the Asia-Pacific Telecommunity (APT) and all delegates at the 8th APT Cybersecurity Forum (CSF-8), I would like to express my heartfelt appreciation to you and the Bangladesh Telecommunication Regulatory Commission (BTRC) of Bangladesh for the gracious hosting and warm hospitality extended to us during our stay in Dhaka, Bangladesh.

Please also extend my sincere gratitude to Honourable Begum Tarana Halim, State Minister for the Posts and Telecommunications Division, Ministry of Posts, Telecommunications and Information Technology for making time to be with us and to honour us by inaugurating the forum. A letter to Honourable State Minister is attached herewith for your kind presenting to the State Minister's Office.

Although I was not able to personally attend the forum, I have learnt of the successful deliberations from Mr. Masanori Kondo, Deputy Secretary General of APT, and staff members of APT who attended this event. The success of CSF-8 is very much attributed to the generous support and excellent facilities provided by BTRC. The untiring efforts of you and your able staff greatly assisted the smooth running of the forum. I would like to especially mention Mr. Khaled Faisal Rahman who was instrumental in organizing the forum.

I am extremely grateful for your excellent contribution towards the APT's activities and I look forward to the next meeting to be hosted by BTRC.

Yours sincerely,

Areewan Haorangsi
Secretary General
